Welcome back to Term 3.
Hello all. I have had some good news for the school. It looks like we may be getting two (or three) new portables. This would mean the removal of some old portables. The new ones contain two classes per portable, and are purpose built in regards to toilet facilities. They also have carpet, an office and split cycle air conditioning. It is proposed that they would be situated at the back of the school, running parallel to Narambi Road. This is a great beginning to revitalising the school. I am still in negotiation with the Department of Education over this proposal. If you have any questions or concerns please see me or you can see a map of the proposal at the front office.

Photo Day
We held Photo Day on Wednesday the third. A big thanks to Tim and Steve, the photographers from MSP Photography. They did a great job. An envelope for payment, if you wish to purchase a photo, has been sent home. If you wish to purchase a photo, please return the envelope with payment enclosed to the school.

Friends of the school.
Another thank-you to David Morris, MP for Mornington whose office donated some more filing cabinets to the school. The teachers and office administration are very pleased to have them. They will be put to good use in the classroom and office. Thanks for thinking of us David.

Upcoming events
Music Festival
Plans are underway for our annual participation in the Special School Music Festival. The festival will be held at Moorabbin Town Hall on the 16th of August. Susan Spruce is leading the production and this year we a presenting a Star Wars themed extravaganza.

Golf Day
The planning for the Golf Day is also underway. Brendan has taken the lead with organising this day. We need sponsors and golfing participants. If you know of anybody who would like to donate a prize etc please see Stephanie.

David Newport
Principal
Room 1  Term 3
What a great start we’ve had to Term 3 in Room 1.
We’ve been building new relationships this term and are enjoying learning together.

TERRIFIC TIMES IN TERM 3

COMMUNITY ACCESS
So far this term we have been out and about to Bunnings and The Briars.
We have been learning about road safety and we enjoy interacting with others in our community.
As a new face in Room 1. I’d like to thank the students, parents and staff at M.S.D.S. for a warm welcome and a great new beginning.

Class Teacher—Romany Ashley-Griffith

We have been tempting our tastebuds with some new recipes.

During cooking sessions students enjoy working with ingredients and utensils.

Diezel and Tane loved our Potato and Leek Soup.
Mornington Special Developmental School
and
Woodleigh School
Would like to present their Annual 2016 School Concert

Let’s Go To The Movies

Date 14th September 2016
More information soon

Woodleigh Senior Campus
485 Golf Links Road
Langwarrin South 3911

Mornington SDS

Date: Friday 19th August
All welcome to our Coffee Morning.
When – 19th August Time: 9.30—10.30am
Where— Staffroom
GET in2 FUN GET in2 CRICKET

MILO in2CRICKET Skills introduces girls and boys of all abilities to Australia’s favourite sport. It’s great fun, safe and teaches basic skills to help kids learn to play just like their Australian Cricket heroes.

Coming to Mornington SDS

10th August

More information to follow

MILO in2CRICKET Skills Program F - 2

The Australian Way
Once a day, twice a day, all day!

Protect your teeth and follow these simple steps to set yourself and your family up for good oral health.

1. **Floss every day**
   - Build flossing into your daily routine to protect your mouth from decay.
   - Flossing helps to get food out from between your teeth.

2. **Brush twice a day**
   - Brush your teeth at least twice a day.
   - Help younger children under the age of 8 to brush their teeth. It helps for a better clean and reaches all the tricky areas children may miss.
   - Children only need a pea sized amount of toothpaste.
   - Children under six years old should use low-dose fluoride toothpaste.

3. **Drink tap water all day**
   - Tap water is best for your teeth.
   - Fluoride is added to tap water to help protect your teeth.
   - Drinking tap water regularly will neutralise the acid on your teeth
   - This will help repair developing cavities.

Annual dental checks are a great way to keep up good oral health habits. To book in your next dental check, visit: [www.peninsulahealth.org.au](http://www.peninsulahealth.org.au)
