Dear Parents/Carers

The term is quickly drawing to a close and Spring is here hopefully blowing our winter blues and colds away with the warmer weather.

We received some good news this week. Our application to the Variety club for a Birds Nest Swing for our playground has been successful. I would like to thank Sue Page for putting the application together and John Mackie from Mornington Car and Tyre Services for his support with this project. John and his wife work to raise money for the Variety Club and helped raise some of the funds that will go towards the cost of the swing. I have spoken to the company who is installing the swing and they hope to have it installed early next term.

A big thank you to all the families who supported our Scout raffle fund raiser this year. We had a great response and raised $750.00, this money will go towards a spring free trampoline for our students.

Congratulations to Diezel, from the Early Education group who sold the most tickets!

Diezel received the incentive prices of a Spalding basketball and Noise-isolating earphones.

Well Done and thank you for supporting your school.

Working Bee Saturday October 18th 2014 9am-2pm
Now that Spring is here the plants along with the weeds are all growing so it is timely to have a working bee to tidy up our school grounds. We have a number of jobs to be done—there are seats to be painted, soft fall to be put around the playground, sandpits to be filled and of course a general tidying up of the garden. If you can spare an hour or two or if you can come for the whole time it would be greatly appreciated. As they say ‘Many hands make light work’. Please put the date on your calendars now. A notice will come out the first week of term 4 letting you know more details.

Coffee and Chat Friday October 17th 2014 9.30-10.30am
Linda Fuller, a parent representative on the School Council, has kindly offered to organise a monthly Coffee morning for interested parents. The mornings will run from 9.30-10.30 on a Friday. They will be very informal and provide a chance for you to come along and meet other parents and help with making some resources for the classrooms. Nothing too difficult cover some books, cutting out PECs pictures, putting old school photos in albums etc. Linda will send out a notice early next term with more details.
