

16th August 2021

Dear Parents and Carers,

The Premier has announced an extension of the Lockdown and new restrictions for Metropolitan Melbourne, which includes the Mornington Peninsula.

The Lockdown will be extended to the 2nd September. We are expecting students to return to school on the 3rd of September.

Your child's teacher will continue to contact you regarding online learning. Physical resources (hands-on activities) will be delivered to your house on the Monday of each week, in the morning.

As with other remote learning periods, our school will provide on-site supervision for students in the following categories:

- Children where both parents and/or carers are [authorised workers](#) who cannot work from home, work for an essential provider and where no other supervision arrangements can be made:
 - Where there are two parents/carers, both must be authorised workers, working outside the home in order for their children to be eligible for on-site provision
 - For single parents/ carers, the authorised worker must be working outside the home in order for their children to be eligible for on-site provision.
- Children experiencing vulnerability, including:
 - children in out-of-home care
 - children deemed vulnerable by a government agency, funded family or family violence service, and is assessed as requiring education and care outside the family home
 - children identified by a school or early childhood service as vulnerable, including via referral from a government agency, or funded family or family violence service, homeless or youth justice service or mental health or other health service.

If you have any queries or concerns, please contact David on 59 756 111.

Information is available to [support your child's learning from home](#). (see webpage or Facebook for online link.)

Kind regards

David

David Newport

Principal: Mornington SDS.
