

New webpage to help families and students prepare for a new school year

A new school year is an exciting time for students and families, but it can be a big step – particularly for those starting Prep or moving to secondary school.

The Department of Education has published a webpage with resources and information to help you prepare for the new school year.

During the school holidays, please consider reading through the resources, which include:

- tips to help transition between kinder and Prep and primary to secondary school
- what to expect at school
- help with school costs and fees
- health and wellbeing guidance to support children's mental health.

Please refer to the [New year of learning](#) webpage.

Thank you.
