

Child safety and wellbeing at Mornington SDS Information for families and the school community

The Victorian Government has announced new [Child Safe Standards](#) to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing.

Mornington SDS has reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards. These are available to view on the school's Website –
