

Good afternoon

The school just been informed by the Department of Education that we are going into a similar COVID 19 lockdown that we experienced last year, for 5 days. This means that your child is remain at home until next Thursday. (Unless there is another notice and if so I will contact you.)

(The Premier also announced a number of other changes, such as a 5K limit and only 4 reasons to leave home but I ask that you confirm the lockdown restrictions to your own satisfaction via media and the DHHS website.)

I understand the challenges that we all face by undergoing another lockdown at school but this school closure is essential to maintain the safety of both students and staff.

Any concerns please contact me.

Kind regards

David.
