

Dear Parents and Carers

The Premier has announced new restrictions for Victoria.

The restrictions will be in place from 11.59pm Thursday 15 July for a 5-day period.

Following advice from the Victorian Chief Health Officer, all Victorian schools will move to a period of remote and flexible learning from Friday 16 July to Tuesday 20 July inclusive.

Your child's teacher will contact you regarding online learning. Physical resources (hands-on activities) will be delivered to your house on Monday 19th of July in the morning.

As with other remote learning periods, our school will provide on-site supervision for students in the following categories:

- Children where both parents and/or carers are [authorised workers](#) who cannot work from home, work for an essential provider and where no other supervision arrangements can be made:
 - Where there are two parents/carers, both must be authorised workers, working outside the home in order for their children to be eligible for on-site provision
 - For single parents/ carers, the authorised worker must be working outside the home in order for their children to be eligible for on-site provision.

- Children experiencing vulnerability, including:
 - children in out-of-home care
 - children deemed vulnerable by a government agency, funded family or family violence service, and is assessed as requiring education and care outside the family home
 - children identified by a school or early childhood service as vulnerable, including via referral from a government agency, or funded family or family violence service, homeless or youth justice service or mental health or other health service.
