Dear parents/carers,

I am writing to you to provide an update on changes to Semester 2 student reports at Mornington SDS

At Mornington SDS we know it is vital to involve students and their parents/carers in learning. This includes providing a written report to parents/carers on student progress and achievement at least twice a year.

The Department of Education and Training has recently adjusted the expectations around student reporting for Semester 2 in recognition of the continued disruption caused by COVID-19.

While our school has continued to deliver a teaching and learning program and monitor the learning of each student, we have adjusted our usual program to reflect the recent period(s) of remote and flexible delivery.

Mornington SDS will therefore provide a simplified written report for the parent/carer of each student enrolled at the school for Semester 2, 2020 focusing on what progress has been made and what has been achieved by each child.

Reports will include:

- a description of the areas of the Victorian Curriculum Foundation to Level 10, including Towards Foundation Levels A to D, taught;
- a comment on student participation and engagement in the learning program offered;for English and Mathematics, for all other curriculum areas taught and a short comment on progress and achievement across the Semester

Parents/carers are welcome to contact me (David Newport) by calling to arrange a time to discuss your child's report.

Thank you for your continued support during remote and flexible learning.

(Please note we hope that a certain person <u>may</u> still be able to visit the classroom for Christmas. We will send a Webex link home to celebrate the visit, if possible!)

David
